

Omar L. Harris

THE J.E.D.I. LEADER

Former General Manager and Global Pharmaceutical Executive with 20+ years in the global pharmaceutical industry on 4 continents. Omar is a highly in-demand executive coach, management consultant, and the author of 5 award-winning bestselling leadership titles, most recently, *The J.E.D.I. Leader's Playbook: The Insider's Guide to Eradicating Injustices, Eliminating Inequities, Expanding Diversity, and Enhancing Inclusion*.

Omar is a highly charismatic speaker who uses storytelling to get his messages across. A member of the inaugural SpeakSellShine cohort and trained by Grant Baldwin's Booked and Paid to Speak Elite Academy, Omar brings heart, humor, and a healthy dose of keeping it real to his speeches. Whether live or virtual, he is comfortable engaging with audiences of all sizes and experience levels.

Speaking Topics:

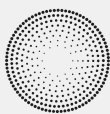

- Winning as One Team
- Leading Through Change
- Inclusive Culture, Sustainable Future
- 7 Rules For Modern Leaders
- Building the Modern High Performance Team
- The 5 Deadly Business Sins of Employee Inequity and How to Solve Them
- Fostering Mental Wellness

Interview Questions:

- How has your approach to leadership evolved throughout your career, and what key experiences have shaped this evolution?
- Can you share specific strategies you've implemented to foster a more inclusive and equitable workplace, drawing from your extensive research and practice?
- What are your top recommendations for leaders to keep their teams motivated and engaged, especially in challenging times?
- You emphasize the importance of self-awareness. Can you describe a pivotal moment in your journey of self-discovery and how it influenced your leadership style?
- What are the key attributes you look for when assembling a high-performance team, and how do you ensure you're sourcing the right talent?
- What are some practical steps organizations can take to build a strong, values-driven corporate culture?
- What advice would you give to a young professional aspiring to become a servant leader in today's fast-paced business environment?
- What are some common pitfalls companies face when implementing diversity initiatives, and how can they avoid them?
- What legacy do you hope to leave through your work and writings, and how do you measure the impact of your contributions?

How do you want people to contact you as a first?
